

ST. JOHN THE BAPTIST PARISH

From the Office of Parish President Jaclyn Hotard

October 27, 2020

Honorable Lennix Madere, Jr.
St. John the Baptist Council Chairman
1811 West Airline Highway
LaPlace, LA 70068

Dear Mr. Madere:

I present to you the St. John the Baptist Parish annual budgets for the General, Special Revenue, Enterprise, Capital Projects and Debt Service Funds for the year beginning January 1, 2021. This budget and message are submitted as prescribed under Article V of the St. John the Baptist Parish Home Rule Charter.

The preparation of the annual operating budgets is the responsibility of the Parish President's Office. The Parish Accountant provides the historical data for all individual funds and works with the Chief Financial Officer and Department Directors to project annual revenues, expenditures and needed improvements. The 2021 fund budgets have been prepared based on past operating histories, estimated revenues, estimated cash flows and projected needs. Each individual fund budget presentation contains actual audited data for previous fiscal years, as well as the current 2020 budgets, as amended to date.

This 2021 Budget Presentation contains a vast amount of financial and historical information involving all budgets for St. John the Baptist Parish. This Presentation is designed to provide our citizens, taxpayers, customers, investors and creditors a general overview of the Parish's finances and to demonstrate the Parish's accountability for the money it receives. The Parish has five different fund types which are: General Fund, Special Revenue Fund, Enterprise Fund, Capital Projects Fund and Debt Service Fund.

In keeping with my administration's budgetary philosophy, as well as the Parish's current cash flow needs and estimated future economic conditions, a conservative approach was used to compile the 2021 fiscal year budget. Costs associated with the Parish have been closely scrutinized and aggressively minimized, especially in light of the uncertainties surrounding COVID-19. We are proud to say that the Parish has maintained their AA bond rating as well as a clean audit opinion, both of which has allowed us to refund the 2010 bond issue, which will generate a cash flow savings of approximately \$300 thousand a year, over the next 10 years, netting in approximately \$2.8 million worth of savings.

Please note, as in years past, certain Funds reflect a deficit balance in operations which result in a drawdown of available funds (Fund Balance). Some of the deficits are related to customary one-time expenditures for capital improvements, while others will require a long-term solution to address historical shortfalls. One

recommendation would be a re-dedication of the Library Millage to help some of the funds to meet their regular operating needs.

The Parish has had a challenging year with unforeseen events arising such as state-wide lock-down due to the world-wide Pandemic, high river causing months-long delays in construction projects, multiple hurricanes and tropical storms, and other weather events affecting our Parish. Despite these challenges, the Parish continued to work on multiple projects still in progress. The following projects were either continued or completed during 2020:

- Completed construction of the Oxidation Pond project in Reserve. This pond will greatly reduce stress on the River Road Wastewater Treatment Plant, thus reducing overflows. The \$9 million dollar project was funded by an EPA Grant and the 2010 bond issue.
- Completed construction of the Safe Room which will be used to house employees, critical staff and emergency responders during disasters. The \$1.3 million dollar project was funded through HMGP grant monies and the 2015 bond issue.
- Completed construction on Phase II of the Reserve Drainage Project with a \$3.2 million FEMA/GOSHEP Hazard Mitigation Grant which concentrates on areas historically known for flooding.
- Completed the LaPlace Main Pump Station at a cost of \$1 million.
- Completed work on Lucy Recreational Trail Phase II of \$130 thousand.
- Completed approximately \$800 thousand of asphalt improvements during this year's annual Asphalt Road Improvement Project.
- Completed more than \$350 thousand in concrete repairs.

The following new projects began during 2020:

- Over a million dollars of Parish funds went toward road repairs. Major streets that were repaired include the following: E. 14th Street, E. 24th Street, E. 30th Street, W. 2nd Street, W. 3rd Street, Cardinal Street, Crevasse Street, Grand Coulee Street, and Robinette Street.
- Moving forward with the construction of \$6.2 million Streetscape Grant recently awarded by LA Safe through the Office of Community Development for the Airline and Main Complete Streets Project which will add beautification, storm water management and overall flood risk reduction along Airline Highway between Tiffany Dr. and Main Street and Main St. to West 5th Street.
- Canal cleaning and spraying throughout the Parish.
- Beginning design of a 9.5 million Shoreline Protection project along Lake Pontchartrain funded with GOMESA funds.

Budget Message 2021

Page 3

- Starting the Maurepas Diversion Project, which will construct a gated structure on the Mississippi River and five miles of conveyance channel near Hope Canal, to reconnect the river to the swamp. This \$14.2 million-dollar project will improve the health and longevity of this ecosystem.
- Beginning the Belle Terre Streetscape and Storm water Management Enhancements project which will feature green infrastructure to alleviate flooding and replenish groundwater. This project will be utilizing funds from the RESTORE Act.

Many other projects are still underway and will continue into 2021 and beyond. Additional future projects include:

- Continuing to work on the Advanced Metering Infrastructure Installation Project. The new meters will have accurate readings, smart leak detection and software allowing for tracking of water usage on an hour-by-hour basis. Installation is expected to be complete by 2021 and is utilizing a \$6 million LDEQ Clean Water State Revolving Fund (CWSRF) Loan.
- Continuing to work with residents on the Manchac Greenway Project, a resident-led beautification effort to develop a bike trail around Lake Pontchartrain.
- Continuing work on the Mississippi River Trail Phase IV, which will extend the multi-use trail to the St. James Parish line. Funding in the amount of \$2.6 million is through RPC Grant and DOTD Road Swap Credits and is part of the Recreation Fund.
- Working towards constructing the West Shore Lake Pontchartrain Levee. The \$760 million hurricane protection levee, fully funded by Federal dollars, will help protect St. John Parish from future flood issues.
- Constructing the West Bank Public Safety Complex which is a \$2 million joint venture between the Sheriff and Fire Department.
- Continuing improvements to the water intake, treatment and distribution systems throughout the Parish.
- Completing the final stages of long-term recovery from Hurricane Isaac and implementation of all Community Block Grants, which included 2.4 million FEMA grant for home elevations.
- Restriping roads, which will include bike path sections.

In late 2020, another set of budget amendments will be presented that reflect more updated figures of revenues and expenditures. Currently, the Parish Fund Balances, as compared to next year's projections are as follows:

| | 2020 | 2021 | Difference |
|-----------------------------------|-------------|-------------|------------|
| General Fund, Ending Fund Balance | 467,338 | 503,033 | 35,695 |
| All Funds, Ending Fund Balance | 154,085,914 | 137,327,535 | 16,758,379 |

Overall, the General Fund has remained rather stagnate with a modest net increase in fund balance of \$36 thousand. Parishwide, the revenue budget for 2021 decreased by \$7.8 million or 8.4%. This is primarily

related to an increase of \$11.2 million additional ad valorem taxes as a result of extensive ITEP exemptions on a local plant will have expired, coupled with rolling the millages forward. This increase is offset by a budgeted projection of approximately \$800 thousand less sales tax revenues as there has been a decline in this income due to the effects of COVID-19. Additionally, state and federal grant funding has decreased by \$17.9 million as the capital and community projects related to that grant funding has been completed.

Being mindful of these decreases and the uncertainty of the lasting effects of COVID on the Parish's finances, this administration cut expenses Parishwide by approximately \$9 million or 9%. Most of the decreased expenses are in capital outlay as the Parish's projects are wrapping up and in debt service as old debt is being paid off.

In closing, I would like to state, that while my first year as Parish President was extremely challenging with the unprecedeted Pandemic and multiple tropical storms, I have never met more dedicated employees, council members, residents and business owners than those located within our Parish. I once again extend my thanks to my administrative staff and all St. John the Baptist Parish employees for their continued hard work and dedication to make this budget presentation possible. Therefore, Chairperson Madere, I hereby submit this message, along with an invitation to schedule a workshop to review the proposed budgets in order to solicit additional input from Council members regarding adoption of the 2021 budget. If there are any questions, concerns, or suggestions, please do not hesitate to contact me.

Respectfully Submitted,

Jaclyn Hotard

Parish President
