RFQ 2021.18 Water Treatment Facilities Professional Engineering Services

Addendum #2

This addendum is issued to provide the following information:

Item 1.

Three professional engineering services agreements will be awarded to the companies with the best submittals to provide the requested services to the Parish. The three projects' that will be awarded are listed below.

- Additional 4 MGD Membrane Water Treatment at Existing Reverse Osmosis Treatment Site on Woodland Drive
- 24-inch Diameter Transmission Main from Mississippi River to Woodland Drive
- 7 MGD Mississippi River Raw Water Intake Pump Station, Clarifiers, and Sludge Return

Proposals shall indicate which projects listed above the proposal shall be considered for scoring. Proposals can be considered for any combination of the projects above. Only one proposal shall be submitted for consideration. Multiple proposals for each project are not required or desired. Proposals shall focus on the team's skills that best fit any or all the projects listed above.

Item 2.

The revised closing date of this RFQ is now January 13, 2022, at 9:45 A.M. Local Time per this addendum.

Addendum shall be acknowledged in your submittal.
