# Delta Dental PPO<sup>™</sup> - Getting the most from your plan

We'll do whatever it takes and then some.

With PPO there are no claim forms to submit.

# Save money with a Delta Dental PPO dentist

Although you can visit any dentist, you'll usually pay less when you visit a Delta Dental PPO dentist.

- PPO dentists agree to accept Delta
   Dental contracted fees as full payment.
- Your share of the bill will likely be lower than when you visit a non-Delta Dental dentist.

# Find a Delta Dental PPO dentist

Delta Dental PPO, our preferred provider organization (PPO) plan,\* provides access to the largest network of its kind nationwide.

Your out-of-pocket costs are usually lowest when you visit a PPO dentist.

To find the most current listing of our network dental offices:

- Visit our website and click on "Find a Dentist" on our home page.
- Select "Delta Dental PPO" as your plan network.

# Is your dentist a Delta Dental PPO dentist?

We recommend that you verify your current dentist's participation in the Delta Dental PPO network. Simply asking if a dentist "accepts Delta Dental" does not guarantee he or she is a PPO dentist.

- Ask specifically if he or she is a contracted Delta Dental PPO dentist.
- You should verify your dentist's participation before each dental appointment.

# Maximum choice

The Delta Dental Premier® network — our larger network consisting of nearly 80 percent of dentists nationwide — provides cost-saving features and is the next best option if you can't find a PPO dentist. You can find a Premier dentist using our online dentist directory.

- Premier dentists' contracted fees are usually somewhat higher than PPO dentists' contracted fees.
- Premier dentists will not bill you above their contracted fees, so you still receive cost protections not available with a non-Delta Dental dentist.

\* In Texas, Delta Dental Insurance Company offers a Dental Provider Organization (DPO) plan.

No paperwork.

No hassle.

- After a claim has been processed, you
  will receive a Dental Benefits statement
  from Delta Dental. This document lists
  the services provided, the costs of the

#### **Dual coverage/Coordination of benefits**

If your spouse has coverage with another dental plan, you or your family members may be covered by both dental plans.\*

- The two plans will likely coordinate benefits to potentially lower your outof-pocket costs.
- Ask your dentist to submit the other plan's Explanation of Benefits with the Delta Dental claim form and we'll take it from there.

# **Orthodontic treatment in progress**

If your Delta Dental plan includes orthodontic benefits, payment for orthodontic treatment in progress depends on the specific provisions of your plan. Typically, treatment in progress is covered and Delta Dental begins paying during the first eligible month. Under some plans, however, you may not be eligible for work in progress or you may lose eligibility if your coverage has lapsed for more than 30 or 60 days.

### Transitioning from another plan?

Any dental treatment in progress when your coverage begins — such as root canals, crowns and bridgework — is not covered under your Delta Dental plan, and your former dental plan should assume responsibility. Delta Dental will cover treatment started and completed after your plan's effective date of coverage.
