MEYER ENGINEERS, LTD.  
ENGINEER AND ARCHITECT

### NOTICE TO BIDDERS:

This Addendum shall be considered part of the Contract Documents for the same above-mentioned project as though it had been issued at the same time and incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original Contract Documents, this Addendum shall govern and take precedence.

Acknowledge receipt of the addendum by inserting its number on the Bid Form of the Bid Documents. Failure to do so will cause the bid response to be rejected.

Bidders are hereby notified that they shall make any necessary adjustments in their estimates on account of this Addendum. It will be construed that each Bidder's proposal is submitted with full knowledge of all modifications and supplemental data specified herein.

AD1.1      There was a Mandatory Pre-Bid Conference held at 9:00 A.M. on June 3, 2025. Attached is the Meeting Memorandum and Sign-In Sheet numbered AD1-3 through AD1-4.

AD1.2      Approved Equals: Listed below are manufacturers who are recognized as capable of producing materials, manufactured items, and articles of equipment equal to those specified. Equipment will be considered acceptable providing the equipment meets, or exceeds specification requirements, has the capacity and performance requirements, fits the space available to the satisfaction of the Engineer, conforms in every respect with the applicable regulatory agencies. Contractor shall submit for approval large scale drawings of proposed layouts and arrangements of substitute equipment when requested.

The listed prior approvals are not given with respect to any specific model, series, catalog number, etc. Suppliers are cautioned that before their equipment is actually approved, it will be incumbent upon them to demonstrate to the Engineer that it is in fact equal to the requirements specified and conforms fully to all specification requirements.
